# COMPANY

---

Giordani Giancarlo S.r.l. is an Italian company, founded in 1960, leader in the design and production of gloves, clothing and accessories for protection and safety at work.

Our articles are designed to guarantee maximum safety in the most extreme working conditions. Capable of withstanding very high temperatures considering safety standards and international standards.

# COMPANY

---

Since 2004 the company has been certified ISO EN 9001 for the quality management system, ensuring compliance with the design and production processes of the garments.

In the last two years, new technologies, new qualified employees, new internal roles have been introduced within the company in order to give more attention to every business process, committing to create high-end products.

## What's changed?

Jacket, trousers and coat have been improved and renewed in comfort, design and packaging, considering the needs of end users.

# COMFORT

---

The garments have been designed for improving ergonomics.

They were also lightened by excess material, creating new wearability.

# DESIGN

- We have lined the neck to make it more pleasant in contact with the skin.
- We have modified the structure of the sleeve to make the operator's movements easier.
- We have introduced the button on the wrist for better adjustment of the sleeve width.
- We have modified the trousers elastic braces to give more stability to the movements.

## LINED NECK

# New suspenders

---

Improved aesthetics and functionality of trousers' suspenders: no longer in elastic material.

# PACKAGE

---

All steps have been made faster and more efficient.

Attention to detail and the production process have been improved from the initial phase of cutting to final packaging.
